

MAG Petrol Engine Survey Results

Survey Monkey was used and a total of 4,805 were completed and on average took 2 minutes to complete. Survey was completed during a period of two weeks ending on 20th April 2021.

Member responses	1575
Non-member Responses	3230
Total	4805

1. The Government states it will ban sales of new petrol- and diesel-powered cars and vans by 2030 and, although it hasn't explicitly included motorcycles, these are likely to be included.

Do you want MAG to:

- Accept any ban on the sale of new petrol-powered motorcycles?
- Campaign for a delay to the ban on the sale of new petrol-powered motorcycles until an agreed set of criteria has been met?
- Oppose any ban on the sale of new petrol-powered motorcycles?

Answer	Member	Non-member	Total
a. (Accept)	94	296	390
b. (Delay)	732	1017	1749
c. (Oppose)	749	1917	2666

2. MAG has the option to campaign with organisations representing other vehicle and driver groups. Do you:

- Agree with the idea of MAG working with other groups opposing a ban on the sale of new petrol-powered private vehicles?
- Reject the idea of MAG working with other groups opposing a ban on the sale of new petrol-powered private vehicles?

Answer	Member	Non-member	Total
a. (Allies)	1337	2674	4011
b. (Alone)	238	556	794

3. If the sale of new petrol-powered motorcycles was banned, would you:

- Stop riding when you are no longer able to buy a new petrol-powered motorcycle?
- Buy a zero-emission motorcycle when there are no new or used petrol-powered motorcycles available?
- Buy a zero-emission motorcycle when there are still petrol-powered motorcycles available?

Answer	Member	Non-member	Total
a. (Give up riding)	425	1051	1476
b. (Ride petrol as long as possible)	942	1760	2702
c. (Early switch to electric)	208	419	627
