The Motorcycle Action Group (MAG) has announced that it will have a stand at the MCN Motorcycle Show. The event takes place this weekend, 16 – 18th February 2018, at ExCel London.

MAG will be on stand R661. The stand will be manned by Tim Fawthrop, Greater London MAG Regional Representative and a few other dedicated volunteers.

Selina Lavender, MAG National Chair, says “We are delighted that Tim has been able to secure our attendance at the event. Tim has done a great deal of work over the past 24 months to regenerate MAG meetings in London and is part of the task force currently working against motorcycle crime. We are hoping that lots of members, past and present, will pop by the stand to see Tim and find out all that he has been up to and offer their support.”

Tickets are available online either collect at the box office or printable at home.
