

Ride Briefing #MotorcyclesMatter 2018

This version: 2018 04 19

Thanks for joining the demonstration. Here's all you need to know about the ride.

- The pace of the demo will be slow, steady and safe.
- The experienced Unity Support Riders are our marshals: listen to them and let them pass.
- In the unlikely event of an accident leave it to the marshals and keep on going.
- You're responsible for being road legal in terms of your machine and your riding
- Please buy whistles and Vinyl stickers to help MAG's fighting fund.
- Try not to frighten the public with revving of engines or wheelies. It doesn't impress them.
- If anyone behaves antisocially, they'll be asked to leave the ride.
- We have built 'pause points' into the ride. There are also route signs.
- Don't get frustrated with the public and if they're provocative, do NOT retaliate.
- Feel free to give out our leaflets out to curious bystanders.

- At Smith Square the building in the middle is a theatre and will be selling Tea and cakes. They also have a toilet we have permission to use. They're a charity and buying Tea will help them, please be considerate when using these facilities. There are also other coffee shops and Cafes nearby.

- At the end-point there's a park and an ice cream van. Please feel free to bring a picnic!

- The Community sports centre has a toilet and nothing else.

- We'll have a few speakers, including MAG's chair, Selina Lavender and President Ian Mutch.

- Please upload your photos and videos via we transfer (<https://wettransfer.com/>), to central-office@mag-uk.org and theroad@mag-uk.org

- If you have bike troubles, the nearest bike shops are:

Happy Bikes, 64a Camberwell road, SE5 0EN, 0207 752 6392
Chas Bikes, 113 Kennington Rd, SE11 6SF, 020 7582 7878
FWR, 330 Kennington Rd, London SE11 4LD, 020 7820 7818

- Any emergency: dial 112

- Nearest A&E is Kings College hospital, Denmark Hill, London SE5. about a mile away.

Enjoy the demo!
