MAG Storms the Castle for 26th time

This version: 2016 08 11 Embargo: Immediate

The Motorcycle Action Group (MAG), the UK's leading voice for riders' rights, is holding the 26th Stormin' the Castle, one of Europe's premier music and motorcycling events, from Thursday 1st to Sunday 4th September, in the grounds of Witton Castle, Witton le Wear, County Durham (postcode DL14 0DE).

One of the senior organisers, Veece, says 'we've lined up a fabulous array of talent on stage, meaning that Stormin' is once again packed with music and entertainment. We've also got a huge custom bike show on the Saturday, which is one of the big draws of the day. With an adult weekend ticket priced at just £30 on line, Stormin' the Castle represents just about the best value for money in the rally calendar.' Hobgoblin are taking care of the bars and MAG member vouchers will be available as ever for liquid refreshments. There is also a vast choice of food outlets available throughout the entire weekend.
