The Motorcycle Action Group (MAG), the UK's leading voice for riders' rights, ends 2017 by offering a huge 'thank you' to all of its members for their support during the year and wishing them many miles of happy riding in the year ahead.

MAG Chair, Selina Lavender, said "We have seen some tough issues during 2017; particularly the significant rise in moped-enabled crime and the appalling attacks that have taken place with acid or machetes. MAG stands firm regarding these crimes: they are unacceptable and we will continue to work with the relevant authorities to help stamp it out. We are able to engage with these processes because of our fantastic members. So 'thank you' to each and every one of you for your support over the past year. I hope you enjoy a very happy festive season and I look forward to helping take MAG forward with you all in 2018."

Lembit Öpik, MAG's Director of Communications & Public Affairs, added "MAG has had to deal with some very difficult things during the year, but we are holding fast and will continue to fight against threats to motorcycling in the year ahead. We can only do this because of our staunch members so I'd like to say a massive 'thank you' to you all because you make MAG what it is: the country's leading riders' rights organisation and every MAG member should be proud of their contribution."

MAG's Central Office will be closed over the Christmas period from Friday 22nd December at 12:30 to Tuesday 2nd January at 09:00, but you can still join on-line at <http://www.mag-uk.org/en/membership/>. Normal office hours are 09:00 to 17:00.
